

Introducing Kuriyama's **NEW Tri-Couple™ System**

Crimp Sleeves

Crimp Ferrules

Clamps*

* Kuriyama offers a wide range of clamping solutions — see pages 12–15 in this catalog.

Features & Benefits

- Unique Tri-Couple™ fitting design eliminates the need for separate fittings when using clamps, sleeves or ferrules
- Same great quality Kuriyama couplings redesigned for maximum inventory control
- Available in Aluminum, ALSH, 316 Stainless Steel, 304 Stainless Steel, and Ductile Iron
- Tri-Couple design also available on our interlocking crimp nipples
- Select sizes available up to 6"

Because we continually examine ways to improve our products, we reserve the right to alter specifications or discontinue products without prior notice.
